Sir:

COMMUNICATION REGARDING FEES ALLEGED TO BE OWED

In the Notification of Missing Requirements mailed May 1, 2006, in connection with the above-identified application, the Patent Office states that, amongst other things, Applicant must submit "additional claim fees of \$900 as a non-small entity, " together with "a surcharge...of \$130 for a non-small entity." Later in the Notification, the Patent Office states that the \$900 claim fees are attributable to "\$400 for 2 independent claims over 3" and "\$500 for 10 total claims over 20."

In response to the above, Applicant respectfully submits that the \$900 fee allegedly owed is in error and that the \$130 surcharge allegedly owed should be \$65. This is because Applicant claimed small entity status for the present application at the time of U.S. national entry. As such,

the fees owed by Applicant at U.S. national entry were 50% of the following fees: (i) Basic filing fee - \$300; (ii) Examination fee - \$200; (iii) Search fee (ISR provided to USPTO) - \$400; (iv) Fee for claims over 20 claims - \$500; and (v) Fee for extra independent claims - \$400. The total of the foregoing fees is \$1800; accordingly, the amount that was owed by Applicant at national entry was \$900. Since Applicant submitted, at the time of national entry, a check in the amount of \$900, no additional filings fees should be due. Notwithstanding the above, a surcharge of \$65 for late-filing of the Declaration is owed and is submitted herewith.

If there are any fees due in connection with the filing of this paper that are not accounted for, the Examiner is authorized to charge the fees to our Deposit Account No. 11-1755. If a fee is

required for an extension of time under 37 C.F.R. 1.136 that is not accounted for already, such an extension of time is requested and the fee should also be charged to our Deposit Account.

Respectfully submitted,

Kriegsman & Kriegsman
